

Nevill Road Junior School

Parent Newsletter – 5.2.21

Dear Families,

We have been celebrating Children's Mental Health Week through a variety of activities, which have encouraged children and staff to express themselves! Our 'Dress to Express' live sessions were great fun and we enjoyed watching the Oak Academy assembly at home and in school. You may have guessed what my favourite colour is! If you would like to find out more about how you can support your child, have a look at this website for some great activities.

Our Remote Learning Offer

Thank you for the feedback we have received so far from our questionnaire. Your comments have been extremely positive and helpful.

<https://forms.gle/togTAgU1sbxPtQeY8>

I think it is brilliant. My child is much happier than the previous lockdown because she can see her friends and teacher online. The spacing of the meets gives structure to her day. Some of the work is challenging. I think you're all doing a great job, sincere thanks.

The home learning offer from Nevil road is absolutely brilliant, Just the right amount of work. We like how each day builds from the one before. The two meets really help with motivation and gives the child responsibility to complete their work. We are very pleased with the school.

The teaching staff have learnt many new skills in order to deliver remote lessons and are enjoying seeing the children on a regular basis. If you would like to know how to edit PDFs, please see the explanation from Mr Baguley:

From next week, we will be uploading the tasks from 6pm the day before, so that they are available for you to prepare in advance. We will be recognising Safer Internet Day on Tuesday 23rd February, the theme is 'An Internet we trust'. If you need further support on how to keep your children safe online,

follow this link to our website <http://www.nevillroadjunior.co.uk/page/e-safety/42873>

Our ASPIRE Curriculum

This half term the children have 'Persevered' and created some excellent pieces of work. In Year 3 they have been learning about Stone Age Life and produced fact files using powerpoint. Year 4 have been comparing how life has changed since the Iron Age and the impact the Roman's had on Britain. Year 5 and 6 have been investigating reflections and solutions in their Science lessons.

Track and Trace procedures

Mrs Cliff will continue to Track and Trace for those children who are attending school. Please email covid@nevillroad-jun.stockport.sch.uk if your child has a positive Covid19 test.

Please see the following link for the current lockdown rules:

<https://www.gov.uk/guidance/national-lockdown-stay-at-home>

Stay safe and take care

Mrs Cliff
