

Nevill Road Junior School

Parent Newsletter – 12.3.21

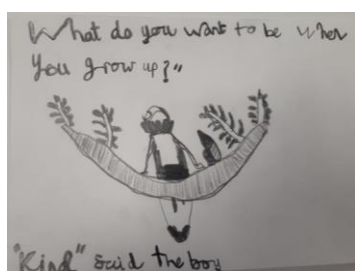

Dear families,

Our Nevill Road family is back together again and it is wonderful to see so many happy, smiling faces around school. It amazes me how resilient your brilliant children are and how quickly they have settled back into school life. We are so proud of everything they have achieved during Lockdown 3.

The Recovery Curriculum

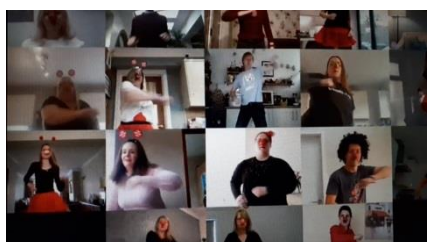

This week we have been creating art inspired by Charlie Makesy's illustrations and quotes. We have even had a 'like' from the man himself on our Twitter Feed @NRJuniors! During our circles sessions, the children have been reflecting on their experiences during lockdown and the

new skills they have learnt. Most importantly, the children have enjoyed spending time with their friends again and rebuilding relationships.

Comic Relief 2021

It is that time again where the staff at NRJ, dust off their red tutus, dig out their red noses and brush up their dance moves! This year's Comic Relief video has a Covid twist and we hope it raises a smile, at a time when we all need a good laugh. The film will be released next Friday and we will be spending the day

telling jokes and having fun with the children. They are welcome to wear red or Comic Relief accessories for the day and please bring a £1 donation. A 'just giving' page has also been set up and we hope to raise lots of money for such a good cause.

Nevill Road Consultation

Leaflets have been sent home with the children today with regards to the Council's consultation proposing that both Nevill Rd Infant and Junior School combine to form one school. More details can also be found at <https://www.stockport.gov.uk/consultations>

A few reminders on the return to school and keeping our community safe

There are still Covid cases in the area and we do not want to be sending children home having just got them all back in to school. Please follow the procedures we have in place.

- Remember to socially distance whilst on the playground, particularly in the Y3 / 4 collection area.
- **Only collect your child at an earlier time if they have a sibling that finishes prior to their finish time.**
- Please wear face coverings when entering the school grounds unless you are exempt. This is to keep everybody safe.
- Please do not ride bikes or scooters on the school grounds, especially on the path at the back entrance. There are often small children around that could get hurt.

Thank you

Dates for the Diary

Friday 19th March – Comic Relief. Children can wear red or school uniform with red nose accessories – Please bring £1 or you can donate through the just giving page <http://www.justgiving.com/fundraising/Nevill-Road-Junior-Staff>

Friday 26th March – last day of term

Monday 12th April – return to school.

Stay safe and take care 😊

Mrs Cliff
