

# Nevill Road Junior School

## Parent Newsletter – 19.3.21

Dear families,

It has been a busy week at NRJ and we are so impressed with how well the children have settled back into school. Thank you so much to everyone who has already donated to our Comic Relief just giving page. We have exceeded our target of £300 and the children in Y5,

who have been selling badges and bracelets have raised £100! Here are the details if you would like to add to our total:

### The Recovery Curriculum

I have been handing out lots of badges this week to the children who have completed 20 reads or more as part of the 100 Reads Challenge. We have been listening to all of the children read across school and it is good to see how

much the children at NRJ love to read. Year 4 have had a great time designing and cooking their own individual pizzas, using the kitchen area. They have made and rolled out their own dough, learnt how to use knives safely and most importantly have been able to take their finished product home for tea!

## Staffing News

Mrs Jackson is having an operation on Sunday and will be absent from school for a while. Mrs Jowett will be taking on the role of Learning Mentor whilst she recovers. Mrs Ward has decided to spend more time with her Mum and therefore we have a midday assistant vacancy. Please call the main office if you would like more information about the role. We wish Mrs Ward all the best for the future and hope that Mrs Jackson makes a speedy recovery.

## A few reminders on the return to school and keeping our community safe

- Please do not ride bikes or scooters on the school grounds, especially on the path at the back entrance. There are often small children around that could get hurt.
- Please remind the children **not to play on the outdoor equipment before and after school**, due to health and safety reasons.
- Face coverings must be worn on the school grounds unless you are exempt.
- Please continue to drive and park safely and responsibly.

Thank you
