

# Nevill Road Junior School

## Parent Newsletter – 15.4.21

Dear families,

Welcome back to a new term at NRJ. We have had a great start to the week and the sun has come out! The children have enjoyed seeing their friends again and fingers crossed we can start to feel like life is becoming a bit more normal.

### The Recovery Curriculum

This week, Year 6 have continued to enjoy their History topic exploring the impact of Wars in Britain. They have been researching facts, learning key vocabulary and presenting their work to share information. Inspired by our project about the environment, Iris wrote a letter to the Prime Minister with ideas on how to save our planet! She is thrilled to have received a response from 10 Downing Street. Our future is in good hands.

### Our Catch Up Programme

We have a variety of support in place this term to help children with their learning. Mr Roscoe is working with small groups to build confidence in maths as well as providing nurture opportunities through his lunchtime gardening club. We have a new reading programme called Lexia that children can access in class and at home. Staff from the National Tutoring Programme, will also be joining us to deliver additional support in maths.

### Parent Meetings

Thank you for being so patient with regards to booking on to the parent meeting sessions. We have had a few technical issues but these have all now been resolved. If you are having problems accessing school spider, please contact us.

## Extra-Curricular Activities

Music lessons have started again this week and it has been lovely to hear the sound of music around school. After school sports clubs are starting from 26<sup>th</sup> April. Please book the clubs through Junior Sports Stars at: <https://juniorsportstars.co.uk/after-school-clubs/bookings/>

## Reporting Positive Covid Cases

Please email [covid@nevillroad-jun.stockport.sch.uk](mailto:covid@nevillroad-jun.stockport.sch.uk) and leave a contact number.
