## Parent Newsletter – 23.4.21

Dear Families,

Another week has flown by and we are fast approaching the May Bank Holiday weekend. Fingers crossed the weather will stay on our side!

### The Recovery Curriculum

We are looking forward to NSPCC Numbers day on Tuesday 4<sup>th</sup> May. Children are welcome to dress up in maths or number related outfits and bring in a £1 donation. They could also come dressed as magicians too! A large part of the day will also be addressing internet safety. Due to lockdown many

children have used apps and online platforms to keep in touch with their friends. We are helping children to use these platforms safely and recommend that you regularly monitor your child's online activity and their use of devices / phones. Please see below several websites that will provide all the information you need to keep your children safe online.

## 100 Reads Challenge

The children at Nevill Road love to read and we have worked hard to develop a whole school culture of reading for pleasure. Every child in school has a reading book accessible in class throughout the day and we have designated time for children to read quietly and listen to books read by an adult. Our 100 reads Challenge has

been a huge success and an incredible number of books have been read by the children since September. If you have any of the books from the list at home that you would be willing to donate, you will be making 330 children very happy! The lists can be found here:

## Healthy Snacks

Please be reminded that we promote healthy eating at Nevill Road and are a nut free school due to children and adults having allergies.

## Reporting an Absence

If you are reporting an absence, please share the reason as we need to add this to our records.

## Positive Covid Cases

Please email [covid@nevillroad-jun.stockport.sch.uk](mailto:covid@nevillroad-jun.stockport.sch.uk) and leave a contact number.
