## Parent Newsletter – 14.5.21

Dear families,

There have been lots of celebrations over the past week. We sang an outdoor 'Happy Birthday' for Mr Dunn's 60<sup>th</sup> Birthday and many of our families are celebrating Eid. Next week we will also see further positive changes due to the latest review in Covid restrictions.

### The Recovery Curriculum

We have had a very creative week! Y4 have been using tuned percussion to compose and perform their own piece of music. Y3 had a fantastic art day last Friday and produced beautiful paintings inspired by Georgia O'Keeffe. Over the next few weeks we will be visited virtually by the authors

who have been short listed for the Stockport Children's Book Awards.

Yesterday 3G had a question and answer session with Simon James Green who wrote 'Life of Riley'. The children asked excellent questions and enjoyed listening to him read an extract from the book.

Our Eco Councillors have now been appointed and started to plan how to make our school greener. We also have new school librarians and Mr Kinnear will be training our Restorative Ambassadors across Years 3, 4 and 5.

### Year 2 Parent Meetings

Thank you to all of the Y2 parents that attended the meetings held over the past two weeks. It was lovely to see familiar faces and to meet new families who will be starting with us in September. Mrs Parker and Mrs Spencer have been organising a range of transition activities for the Y2 children after half term.

## **Outdoor Playtimes**

Now that some of the restrictions are lifting from Monday 17<sup>th</sup> May, year group bubbles will be resumed outside in order to give the children more space to play in. Should we have a positive Covid case, only the class will be asked to isolate for 10 days and any other individuals that we know have had close contact. If the R rate increases significantly, we will revert back to the class bubbles model. All other procedures will continue as before.
