

Nevill Road Junior School

Parent Newsletter – 17.3.23

Dear Families,

Thank you once again for your support and understanding with regards to the NEU Industrial Action strike days. No further strike days have been announced at this time but I will keep you informed should this change.

Today we have been wearing red and all things red nosey to raising money for Comic Relief. Many thanks for your generous donations.

Our Curriculum

Year 3 had the most wonderful time at the Museum of Science and Industry in Manchester. They took part in several workshops and found out about gravity, air resistance and friction. They also investigated light and sound in the activity area. I think some of them would still be there if they could! Great to see so much curiosity to find out more about how the world works.

Year 4 have been keeping active in spite of the awful weather – have a look at what they have been up to in their cricket lessons.

<https://twitter.com/i/status/1636304285624422400>

I have had the pleasure of teaching in Year 6 this week. The children's attitude towards their learning and perseverance has been impressive. We have been finding out about World War Two and the music that was played at this time.

If you want to find out more about our curriculum and the children's learning, please follow us on twitter @NRJuniors.

Keeping Children Safe

Please be reminded that holidays during term time will not be authorised. The attendance team meets regularly to monitor those children whose attendance has fallen below 90%. Please be aware that the definition of regular attendance in law is that children and young people attend school each and every day that they are expected to attend. We will work with parents, carers and children to ensure that children engage in education and maximise their full potential. We believe that pupils who attend school regularly are more likely to feel settled in school, maintain friendships, keep up with their learning and gain the greatest benefit from their education. We want all our pupils to enjoy school, grow up to become emotionally resilient, confident and competent adults who are able to realise potential.

Thank you for your support with this.

Have a lovely weekend.

Kind regards,

Mrs Cliff

Diary Dates

Friday 31st March – End of Term

Monday 17th April – return to school

- Y6 visit to the Stockport air raid shelters (6B ½ 6H)

Tuesday 18th – Wednesday 19th April – Y5 Castleton residential
