

# Nevill Road Junior School

## Parent Newsletter – 14.7.23

Dear Families,

It was great to see so many of you at the Summer Fair on Saturday, despite the weather! Thank you to everyone who helped to make the day such a success and hopefully we have raised lots of money for our lovely Nevill Road children.

### Our Curriculum

Year 6 have had the most wonderful time in Conwy. They have showed excellent team work and friendship towards each other. To see more photos of what the children got up to on their residential, follow us on Twitter @NRJuniors or have a look at the website gallery: Year 5 and 6 Residential 2023

Our 2023 KS2 SATs results have shown that we are above national data in all areas (reading, writing, SPAG and maths), which is fantastic news. Congratulations to the children, staff and families who have helped contribute towards this excellent outcome for the school. Most importantly we value each and every child at NRJ for

their strengths in all areas of the curriculum and have once again received the Gold School Games Award for the fifth year running!

In their art lessons, Year 4 have been learning about Wassily Kandinsky and created a double page spread in their sketch books to demonstrate their new knowledge. We look forward to seeing the art work they produce by the end of the unit.

## Staffing News

Sadly, we will be saying goodbye to Mr Addison at the end of the year, who has gained a new role at Cheadle Hulme School. We wish him all the very best for the future! Mrs Rutherford is expecting her second baby in October, which is fantastic news – Congratulations!

## Karate Club

Thank you to Mark and Meraj from the Cheadle Hulme karate dojo, who led taster sessions to all of the children from Year 2 to Year 5. Please send back the form if you are interested in your child taking part in the Monday after school club as spaces are filling up fast.

More information about school led clubs and how to book them, will be sent in September.

## Keeping our Children safe

In our assemblies this week, we have been talking about bullying and everything we do in school to prevent this. All of the children have completed the anti-bullying survey, which helps us to understand how we can support children further. Earlier in the year we invited parents in to review our policy and also co-produced a 'Child friendly' version with our school councillors. To find out more about this please see the following link.

**Please contact us if you feel your child is being bullied – we are all here to help!**

I hope you have a relaxing weekend.

Kind regards

Mrs Cliff
