

Nevill Road Junior School

Parent Newsletter – 9.7.21

Dear Families,

Much to the delight of the children (and many of the staff) ...football IS coming home!! Fingers crossed for Sunday's match. It is lovely to have 5JW and 4SR, back with us in school. Both classes have been amazing,

supporting each other to stay positive and to keep smiling. It has been a very difficult couple of weeks with so many staff members having to isolate due to a variety of reasons but as always we have worked together to ensure the children have as little disruption as possible. I really am very lucky to work with such an incredible team.

The Recovery Curriculum

Over the next two weeks, the children will be taking part in this year's Stockport Big Leap. For the event the children will complete a standing long jump, a speed bounce and a vertical jump. We can't

wait to see some competition in school again!

In their Design Technology lessons, Year 5 have been making moving Viking ship toys. They have practised a variety of skills including cutting wood and using glue guns to make the bases.

The children have enjoyed taking part in the Stockport Children's Book Awards this year and we are particularly proud to have been asked to contribute to the video. If you haven't had a chance to view it yet, here is the link <https://t.co/tpRBtL2z9y?amp=1>

Transition days

We are very excited about Year 2 coming over to the Juniors next week to meet their new teachers and to see their new classrooms. We will be sending home learning packs which will include information

about key areas of the Year 3 curriculum.

Schools Covid-19 operational guidance

Schools in Stockport have been advised by the Local Authority and Public Health to continue to follow the procedures currently in place until the end of term. This is to reduce the risk of more widespread isolation, particularly over the holiday period. We will be maintaining the class bubble system and have been asked to continue with current contact tracing measures. This will mean that bubbles may close if there is a positive case. We are asking that parents keep to the current drop off arrangements and would recommend the continuation of the use of face masks to try and help us keep as many bubbles open as possible. I will be working with the Infant School, staff team and governors to make final arrangements for September and these plans will be communicated to you as soon as possible.

Dates for the Diary
