

Nevill Road Junior News

February 9th 2024

Dear Families,

It may have been a short half term but it has been a very busy one! Today we have been enjoying our Feel Good Friday where the children have been taking part in a variety of activities to help build resilience and regulate emotions.

Our NRJ community continues to grow and we now have the most pupils we have ever had in the school! We have welcomed families from a variety of different countries and cultures, which has enhanced our increasingly diverse community. Happy Chinese New Year to our families who will be celebrating at the weekend.

I hope you have an enjoyable half term and we look forward to seeing you on Monday 19th February.

Kind regards
Mrs Cliff

OUR CURRICULUM

On Tuesday it was Internet Safety Day. Mrs Hancock, our computing lead in school, has delivered an assembly to the children about how to stay safe on line. Our circles and PSHE lessons have also focused on this topic and our Web Warriors have launched a poster competition.

Year 3 have enjoyed using their communication and teamwork skills to complete challenges in their Outdoor and Adventurous lessons this week despite the weather. Year 6 have produced beautiful at work inspired by Lowri.

Together Everyone Achieves More

Congratulations to 5H for winning the attendance cup!

Our talented gymnasts performed brilliantly in this weeks tournament.

KEEPING OUR CHILDREN SAFE

Measles

If you or your child become unwell and think it could be measles:

- Seek medical advice – call your GP / NHS walk in centre / NHS 111 for advice
- It is important to inform the GP / walk-in centre before attending so that you can be seen in a separate area to prevent spread to other patients.
- Do not go to school, nursery or work for the four days after the rash first appeared
- Limit your contact with other people and avoid those who:
 - are pregnant
 - are under 12 months old or have not had the MMR vaccine
 - have a weakened immune system
- Inform your school or employer

Further information can be found on the NHS website at:

<https://www.nhs.uk/conditions/measles/>
