

Nevill Road Junior School

Parent Newsletter – 13.10.23

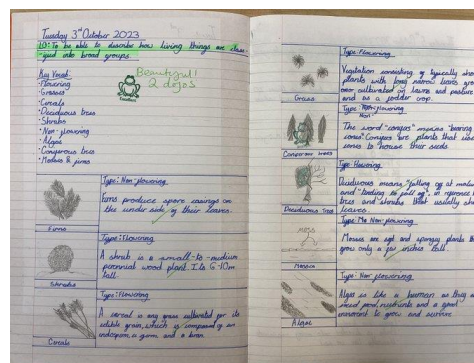

Dear Families,

It is with great sadness that we say goodbye to Mrs Ollier at the end of next week, who will be beginning her new career as a driving instructor. Mrs Ollier has been a member of the NRJ team for over 8 years and will be greatly missed. Mrs Rutherford will be going on maternity leave after half term and we can't wait to meet the new member of her family when they arrive!

Our Curriculum

Year 6 have been enjoying their new Science unit of Living Things and their Habitats. They have been classifying plants and animals and have produced some excellent pieces of work.

In their computing lessons, Year 5 have been finding out about how search engines work and have had a go at designing their very own Nevill Road website. Mrs Hancock was very excited to receive our very own Microbits this week!

Year 3 and Year 4 have been making excellent progress in their times tables challenge with many of them already gaining their bronze, silver and gold awards.

Keeping our children safe - Rocket Park

It has been brought to my attention that there have been several incidents that have taken place at Rocket Park in the past few weeks including inappropriate language and physical altercations. Children have also been playing out late unsupervised once it has gone dark. We have found that some of these incidents have affected children's behaviour and learning in school and therefore ask that adults ensure that children are supervised.

Thank you.

Have a lovely weekend

Kind regards, Mrs Cliff
