

# Nevill Road Junior News

## March 15th 2024

Dear Families,

It has been a busy week at NRJ! Today we have been selling cakes and wearing red for Comic Relief. The staff and children have had a wonderful time making the new film. You can view it using the link that has been sent via school spider and on twitter @NRJuniors. We hope we put a smile on a few people's faces and raise money for such a good cause.

Sadly, we heard of an upsetting event this week when a parent was verbally abusive to Mr Gannon who was trying to keep our children safe by asking parked cars to move on. All members of our wider community must remember to conduct themselves in an appropriate manner so that we can show our children how to be respectful towards others.

Kind regards  
Mrs Cliff

### OUR CURRICULUM

Year 6 have enjoyed making carrot scones and potato fritters using recipes from the 1940s. They also had an exciting adventure to Staircase House museum and the air raid shelters in Stockport where they learnt about life during the war.

Year 4, are you ready for this jelly? As part of British Science week we have used our investigative skills to find out why might one jelly set more quickly than another.

Year 3 have really enjoyed learning tennis skills in our PE lessons over the last three weeks with our tennis coach.

Together Everyone Achieves More

## World Book Day

## KEEPING OUR CHILDREN SAFE

### Jewellery School Policy

Please note that we have a no jewellery policy, earrings must be removed for PE and swimming lessons. This information can be found on the school website and also communicated termly through the year group newsletters.

Where a child has recently had their ears pierced, they are permitted to wear plasters until they are able to take them out themselves.

However, guidance from the Local Authority states:

The pupil's physical participation in the lesson may need to be modified to avoid any contact/collisions as taping does not prevent injury if ears are rubbed or they bump into others or equipment

Staff should avoid applying the tape & parents or pupils should apply themselves

Staff need to monitor that the tape does not come off

Participation in some higher risk activities may still not be appropriate even if modified – in this case pupils can still be involved in the learning process in other ways eg peer assessment etc

Thank you

If you would like to find out more about our curriculum and activities in school, follow us on twitter @NRJuniors
