

# Nevill Road Junior School

## Parent Newsletter – 10.9.21

Dear Families,

Welcome back to a new term at the Junior School. Once again the children have impressed us with how quickly they have settled back into school life and it has been so lovely to hear the sound of happy voices. Our new Year 3s have had a great start to the term and it feels like they have always been a part of the school. We are very proud of them all.

Thank you for supporting us with the new drop off and collection procedures. It is great to have a bit of normality again!

### Our Curriculum

This week we have been extremely busy and made the most of the sunshine! Year 6 have enjoyed lacrosse lessons and Year 4 have started cricket sessions with our sports coaches. Year 5 have started to develop their tag rugby skills. The children have also enjoyed their music lessons, learning to play tuned percussion in time to 'Living on a Prayer'! Our

chrome books are also up and running in classrooms to enable the children to learn about programming and computing skills. Please follow us on twitter @NRJuniors to see daily updates on school life and visit our website for more information about year group topics and expectations. Year

group newsletters and topic maps will be sent out on school spider next week with our new Homework expectations

## Reminders

Whilst we are now learning to live with Covid, we are still being notified of positive cases. Unfortunately Miss Phipps is having to isolate for 10 days but we look forward to seeing her again soon. Please be reminded of the following:

- If your child shows any symptoms of Covid 19 (new, continuous cough, a high temperature or loss of taste and smell) please keep them at home, take a PCR test and isolate until the result has been confirmed. Close contacts under the age of 18 years and 4 months do not have to isolate and neither do adults who have been double vaccinated. Please contact NHS track and trace to report a positive case.
- In the event of an outbreak (5 positive cases within a 10 day period), school will be advised by Public Health England if a contingency plan needs to be put in place. Parents will be informed as soon as possible of any changes.
- The playground equipment is not to be used before or after school.
- Children and adults must not ride on bikes and scooters on the school grounds as there will be many more people accessing the school at this time.

## Diary dates

**Friday 10<sup>th</sup> September** – Y6 Mayan Workshops

**Monday 13<sup>th</sup> September** – Clubs start

**Wednesday 15<sup>th</sup> September** - Y5 Swimming starts

**Thursday 23<sup>rd</sup> September** – 4P River Study Macclesfield Forest
