

Nevill Road Junior News

May 5th 2024

Dear Families,

I hope you had an enjoyable Bank Holiday and made the most of the sunshine.

This week we have been talking to the children about the difference between equality and equity.

Equality means each individual or group of people is given the same resources or opportunities. Equity recognizes that each person has different circumstances and allocates the exact resources and opportunities needed to reach an equal outcome. At NRJ we have many children with different needs, including hidden disabilities that may not be obvious to outsiders. The provision we put in place to support children may look different at times but it is to ensure that all children can access the curriculum.

Have a great weekend.

Kind regards

Mrs Cliff

OUR CURRICULUM

Year 3 and 4 had a fantastic morning at the Quad Athletics competition. Several children also took part in the cross country event this week.

We are making the most of the glorious weather.

Year 4 have enjoyed their basketball lessons and have been focussing on the jump shot. Year 5 and 6 have been having a great time playing rounders.

Wishing our Year 6's all the very best for their SATs next week. Remember that:

SATs don't measure sports,
SATs don't measure art,
SATs don't measure music,
Or the kindness in your heart.

We know that the children at Nevill Road are far more than a test and will be incredibly proud of all their achievements when they leave us at the end of Year 6!

Together Everyone Achieves More

More photos from the week.

KEEPING OUR CHILDREN SAFE
