Our Curriculum

Some of our Year 4 pupils had an amazing time at a @Panathlon event this week! They loved having a go at so many fun activities - curling and boccia were among their favourites. The fantastic medals were the icing on top Thank you @StockportSHAPES

Year 3 have begun to learn about stop frame animation in Computing. We have been using iMotion to make some short animations

Rescillience Workshop

Here is some of the feedback received from parents and carers who attended last week's workshop.

"It has been very useful to take the time out to discuss an important topic. Thinking through the mechanisms we can use and sharing experiences with other parents has been very valuable."

"That was brilliant! Thank you. Very useful, full of great ideas and solutions. Looking forward to taking some of my learning home."

"What is also good is to be reminded that you are not alone and other people also feel the same way and that we are all human - Thank you."
