

Nevill Road Junior School

Parent Newsletter – 8.10.21

Dear Families,

All of the class teachers have shared how much they have enjoyed talking to you about your amazing children. They have settled back in to school so well this year, with such positive attitudes to learning. We have put in place a variety of interventions to support children with their learning including same day maths catch up, one to one tutoring, the lexia reading programme and life skills groups. Please contact us if you have any concerns about your child's progress. We are all here to help.

Our Curriculum

One of our priorities this year is to continue to develop the love for reading through our 100 Reads Challenge. So far this term, 20 children have received badges for completing the challenge and have read 480 books between them!!

We are also planning to convert the computing room in to a new library area where whole classes can choose and enjoy a book each week.

Nevill Road Juniors has been represented at several tournaments this week including tag rugby, Y6 transition event and the SEND sports hall athletics.

Our school councillors have been talking to classes about the Bee Rules and our Eco Councillors have met to discuss recycling. This week I have been interviewed by our newspaper reporters who are working hard to produce their next publication before half term.

Today our sports leaders will be announced and they will be organising lunchtime activities with children in Y3 and the Infants.

Harvest Donations – Friday 15th October

If you would like to make a donation to Chelwood foodbank, please could your child bring their donation to school on the morning of Friday 15th October. This year, Chelwood Food Bank would appreciate donations of: Tinned ham, cordial (1 litre bottles), coffee, rice (500g bags or less), tinned fruit, long life milk, breakfast cereal, washing powder, nappies (size 6 and above)
