

Nevill Road Junior News

March 21st 2025

Dear Families,

Thank you so much for your support earlier in the week when we had to close the school early due to there being no running water. An unexpected power cut meant that the electricity, gas and water system were cut off. Despite our best efforts we were unable to rectify the situation and were advised by the Local Authority to close for Health and Safety reasons.

In other news, We have been busy hosting a variety of events for schools across the North West. Mrs Jordan delivered a maths mastery session to teachers who are developing their maths curriculums. As part of my role as a writing moderator for the Local Authority, Year 6 teachers from across Stockport visited for a writing assessment session. Last week our wonderful children, confidently presented to a variety of adults who attended an adaptive technology session. The children also managed their own stall and ran a competition for the attendees.

I hope you have an enjoyable weekend and fingers crossed the sun continues to shine.

Kind regards
Mrs Cliff

Our Curriculum

Year 4 have started a new art topic this week, looking at the colours, textures and shapes of the rainforest. Over the next few weeks, they will be developing these ideas into their own textile patterns.

Year 3 have been looking at the technique frottage. After taking rubbings of textured surfaces, the children tore and cut them up to create images of flowers.

This week year 6 have been creating posters for national science week 2025. This years theme is change and adaptation.

Photos of the week

KEEPING OUR CHILDREN SAFE

As so many of our children have access to devices and the internet, the need to keep them safe online has grown over the past few years. Please see the information and links below. If you have any concerns or questions about this issue, we are always here to help.

LEARNING THROUGH EXPERIENCE

KEEPING KIDS SAFE ONLINE RIGHT NOW

TOP TIPS

- 1. SET UP PARENTAL CONTROLS**
Check your settings are up to date and controls are applied on all devices and apps.
- 2. SUPERVISE ONLINE ACTIVITIES**
Ensure online activities are supervised by an adult and in a public space in the house, E.G. - Living/Dining Room.
- 3. SET CLEAR EXPECTATIONS**
Talk about expectations for behaviour online, including how and when devices will be used.
- 4. TALK ABOUT IT**
With the schools closed, online activities will increase. Let your children and young people know they can talk to you about anything that happens online.
- 5. GO ONLINE TOGETHER**
See if you can share online experiences by joining in with their favourite app/game.

We have now moved to Instagram - please follow us @nrjuniors
