

Nevill Road Junior News

March 28th 2025

Dear Families,

It was great to see so many of you at our parent and carer's meetings this week for Years 3, 4 and 5. We have been very impressed with the quality of work that the children are producing in all their subject areas. As a school we have been working on improving writing with a particular focus on spelling, punctuation and presentation. We feel that the books reflect a huge improvement in these areas.

I had a wonderful time this week at Quarry Bank with Year 4. The children enjoyed following maps, reading coordinates and exploring the woods. We also learnt about the River Bollin and had great fun running down the river bank after apples!

I hope you have an enjoyable weekend and fingers crossed the sun continues to shine.

Kind regards
Mrs Cliff

Our Curriculum

In Art, Year 3 have been learning about botanical drawings. The children used the magnifying glasses to look closely at the flowers before trying to sketch them in detail.

Year 6 have thoroughly enjoyed making blueberry muffins using our kitchen area. They weighed out all of the ingredients independently. They children also made vegetable pasta sauce, deciding whether to make it chunky or blended.

In Year 5, we have been learning about irreversible changes. We combined bicarbonate of soda with white wine vinegar and were amazed when a balloon inflated, then shot across the classroom. This was because a gas - carbon dioxide - was formed through a chemical reaction. This change was definitely irreversible!

Photos of the week

KEEPING OUR CHILDREN SAFE

To listen to and follow instructions.

To play in safe areas of the playground where an adult can see you.

To walk in school.

To keep your hands and feet to yourself.

To stop when the whistle blows and line up safely.

To remember not to slide tackle.

To sit properly on chairs – all four feet.

To stay safe online.

We have now moved to Instagram - please follow us @nrjuniors
