

Nevill Road Junior School

Parent Newsletter 9 - Spring Term 2020

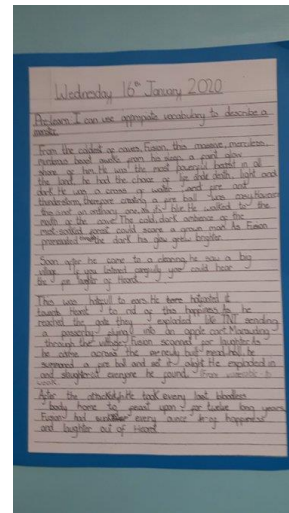

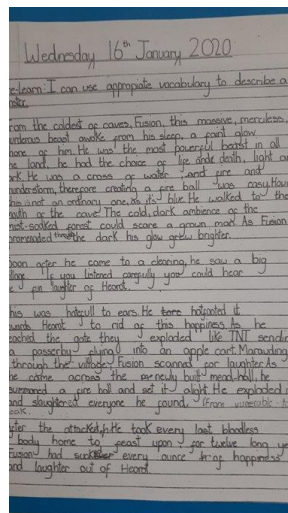

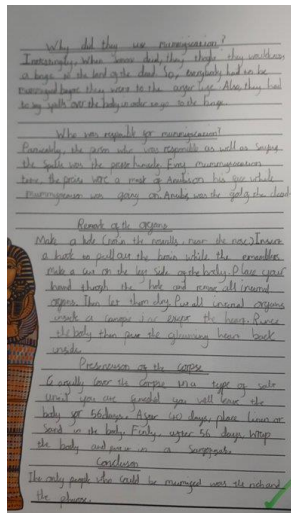

Dear Parents and Carers,

Key Priorities

Our ASPIRE focus this half term has been Perseverance with a particular focus on the children working hard to show their best presentation and productivity in all lessons. As you can see, the hard work is paying off!

Year 6 are working incredibly hard in all areas of the curriculum. Their recent practise test results are excellent and reflect the high quality of the teaching and learning taking place across the school. It is also great to see so many children attending the extra teacher led sessions before and after school. The Year 6 teachers are looking forward to being able to share all of their success with parents next week, who will be receiving mini reports on Friday with more information about the children's progress so far this year.

Mental Health Week

This week, children have been celebrating Mental Health Week by discussing how they would like to be treated by others. They have been considering how words and actions can affect how we make people feel. At Nevill Road Juniors, we respect everyone in our community and celebrate individuality. We are working hard to ensure that our school is an inclusive and nurturing environment where all aim high, achieve well and develop self-confidence.

Thank you for all of the donations that the children brought in last week for the Wellspring Foodbank. Over £300 was raised due to your generosity.

Keeping children safe

Please be reminded to park considerately when you are dropping off and collecting your children from school. It has been brought to my attention that some cars are being parked on local residents grass verges, which have left tyre marks. Thank you for your understanding and support with this.

100 Books Reading Challenge

A huge congratulations to Amelia who has completed the 100 Book Challenge for Year 5 and 6, which is an incredible achievement. She has been awarded with a £5.00 book token from Simply Books. Well done to all of the children who are working so hard on the reading challenge, we now have 35 children across school who have completed at least 20 reads.

Thank you for your continuing support - please keep checking the school website for information and follow us on twitter @NRJuniors.

Kind regards

Mrs Cliff and the Nevill Road Junior Team

Diary Dates - Spring Term 1 2020

FEBRUARY

Monday 10th

- Year 6 SEND support meetings
- Year 6 Parent's evening 4.00pm - 6.00pm
