

## Nevill Roads World Book Day Reading Challenge

This year as part of world book day the Friends, in conjunction with the schools, will be holding a sponsored reading challenge. On 13th Feb each child will bring home a sponsor form and a sheet with 10 reading challenges on it, such as read a book in an unusual place, read a poem and read a nonfiction book. The idea is to get children to read different types of texts in unusual fun ways. There will be a different set of challenges for infants and juniors. If your child wishes to take part they will have until World Book Day on 8th March in which to collect sponsorship money and complete as many challenges as possible.

Younger children can read with a grown up or older sibling and sponsorship can be either for each challenge completed or for completing all 10, whichever fits your child the best.

All the money raised will go towards books for the schools libraries. Prizes will be given for raising £5, £10 and £15 or over.

Happy reading!
