

# Nevill Road Junior School

## Parent Newsletter – 13.12.21

Dear Families,

Apologies for not sending this out on Friday as usual...it has been a very busy week!

I am delighted to inform you that we have a new crossing patrol for North Park Road. I have also been in touch with Councillor Vine to see if there are further measures that the Council can put in place to help with road safety around our school Community.

We continue to work with Public Health with regards to the Covid cases in school. Please see the weekly update that was sent out on Friday for more information. I am attending a meeting today with regards to the new variant and will share any further information that you may need. Please note that if you come into direct contact with the **Omicron variant**, you must isolate for 10 days and advise school immediately.

### Our Curriculum

Year 6 did an amazing job at the Christmas Market on Friday, by running their own stalls. The event was extremely successful and all of the children had a great time. Thank you so much for your generous donations. Unfortunately, we had to

postpone the Santa Dash due to the weather but hope that this will go ahead on Friday.

Year 5 loved their visits to Bramhall Hall. They have learnt many new facts about Tudor times and the History of the Nevill family. Year 4 have been working hard on their handwriting this week and have produced beautiful pieces of writing. Year 3 have been investigating shadows and discussing why they change size.

### **\*\*\*Covid Reminder\*\*\***

If your child shows any symptoms of Covid 19 (new continuous cough, a high temperature or loss of taste and smell) they are to stay at home until the PCR test result is confirmed as negative or for 10 days if positive. Please contact Track and Trace for information of the return to school date. Household members should take a LFD test for 10 days if they do not have symptoms and someone in the house has tested positive. If you come in to close contact with a positive case it is recommended that you take a PCR test.

Should a member of staff or child test positive, parents of the children in the bubble will be contacted and asked to take a PCR test.

Have a fantastic week - stay safe, stay positive.

Kind regards

Mrs Cliff
