

# Nevill Road Junior School

## Parent Newsletter – 22.12.21

Dear Families,

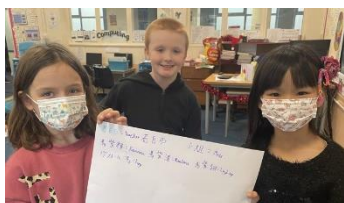

I would like to wish you all a happy and safe Christmas. Thank you so much for your continuing support and kind words – it really does mean a lot! We are all unsure of what is around the corner with the increasing number of Omicron cases but I have no doubt that our Nevill Road family will support each other through whatever challenges we face. Your amazing children make me smile every day and I feel very lucky to be their Headteacher. Each and every one of them make our school such a special place.

### Our Curriculum

This week we have been treated to singing, dancing, gymnastics, musical instruments and football skills to name just a few of the children's many talents! The film of the Year 4 show has been completed and it has been wonderful to hear their singing all around school. It really has lifted our spirits!! Thank you to Mrs Humphrey's son Ben for filming and editing the production.

Party day was a huge success, the children had a wonderful time at their outdoor discos. So did the staff!!

Our newspaper reporters have written a new edition of 'The Bear Express' and continue to raise funds to support local community Mental Health charities.

Year 3 have enjoyed finding out about how Christmas is celebrated all over the world. They have enjoyed finding out about different cultures and have learnt from each other.

Stay safe, stay positive and we look forward to seeing you all again in the New Year.

Kind regards

Mrs Cliff
