

# Nevill Road Junior School

## Parent Newsletter – 4.2.22

Dear Families,

Gong Hei Fat Choy (恭喜發財) and Xin Nian Kuai Le (新年快乐) to all of our children and families celebrating the Lunar New Year. Thank you for the special gifts that we have received.

### Our Curriculum

On Monday we had a visit from our School Advisor and three of our school governors, to observe how we teach maths at Nevill Road Juniors. They were very impressed with the children's engagement in their learning and eagerness to share their mathematical knowledge and skills. Many of them told us that maths is their favourite subject in school.

The school has continued to smell delicious this week due to 5H and 5DR's cooking! We are so lucky to have such an amazing facility and the children love learning new skills.

Eco Council have been busy making the pen recycling boxes for each class and School Council have been thinking about how we can use the outdoor stage more purposefully during break and lunchtimes. In their art lessons, Y3 have been finding out about the artist Antony Gormley, whose work has inspired them to construct and collage sculptures.

It is so important that the children have their say and are given the chance to share how they feel about their learning. This week they have been talking to Mrs Dale and Mrs Taylor about History and PE. This is what they said: "I'd never played lacrosse before and I learnt how to do it and realised that if I keep trying I can do it."

*"I really enjoyed investigating about the families who lived in Bramall Hall for myself and then I could decide how to present my finding."*

### Reminders

Please could any Nevill Road sports kits worn at events be returned to school.

Due to Health and Safety reason, children should not be playing football in the cage at the end of the day.

Thank you

Congratulations to our Basketball team for achieving third place in the finals.

Have a fantastic weekend, kind regards. Mrs Cliff
