

# Nevill Road Junior School Parent Newsletter 8.5.20

Dear Families,

I hope you are all well and staying safe. There has been a lot of speculation in the news about when schools may be reopening and hopefully Sunday's briefing from the Government will give us some more information about how this might look. As soon as schools have been given a clear directive, I will share this with yourselves and plans will be made to

accommodate the latest guidance. In the meantime, the sun continues to shine and there are VE celebrations to be planned. Please send photos of your celebrations to

[headteacher@neville-road-jun.stockport.sch.uk](mailto:headteacher@neville-road-jun.stockport.sch.uk) or tweet and follow us @NRJuniors.

I would also like to wish our families who celebrate Ramadan, all the very best and hope that you are able to keep in touch with your families and community during lockdown.

## Keeping our school community together

Once again, you have been keeping busy at home. This week children have been den building, baking and making the London sky line! Matthew in Y3 had a very special visit from Vernon Bear and managed to have a socially distanced kick about. More Birthdays have been celebrated and children have been producing beautiful home learning as well as more pictures for Stepping Hill's Corridor of Hope.

### Mystery Person Quiz - Number 1

This week the children were set a task to see if they could identify the members of staff hiding behind the objects. Well done to all of the children who took part. Here are the answers...

<p><b>1. Mrs Hancock</b></p> 	<p><b>2. Miss Williamson</b></p> 	<p><b>3. Mrs Jackson</b></p> 	<p><b>4. Mr Baguley</b></p> 
<p><b>5. Mr Kinnear</b></p> 	<p><b>6. Mrs Watts</b></p> 	<p><b>7. Mrs Steed</b></p> 	<p><b>8. Mrs Clarke</b></p> 

The staff had lots of fun setting this challenge and there are more to follow!

## Home Learning

This week's Home Learning assignments have been based around VE day. Tomorrow those of us who are in school will be celebrating with a socially distanced street party including karaoke and ice cream! Thank you to Mrs Dale and Miss Campbell for putting together the activities and finding resources for the children to use. A Stay at Home timetable has also been produced giving you an outline of how your day of celebrations could look.

Some children and staff have already been preparing for their parties!

Please send photos of your celebrations to [headteacher@neville-road-jun.stockport.sch.uk](mailto:headteacher@neville-road-jun.stockport.sch.uk) or tweet and follow us @NRJuniors.
