Parent Newsletter – 4.3.22

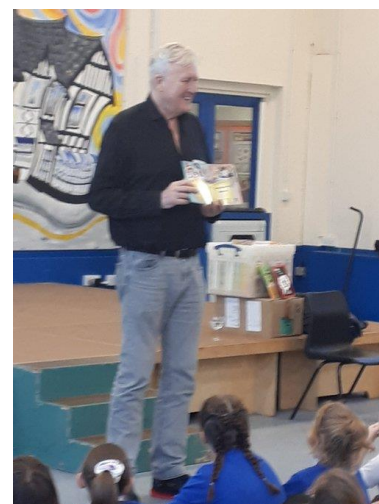

Dear Families,

We have had a wonderful week celebrating authors, books and all things reading related! We had a visit from the author ER Reilly, whose books captured the imagination of many of the children. He has very kindly donated copies of his books to our new library.

It is an unsettling time for us all at the moment with the current news of the war taking pace in Ukraine. If your child is concerned or would like to know more about the situation, BBC Newsround has produced a really good video, providing information and tips for children and young people:

World Book Day Fun

Our Year 3 team have enjoyed sharing the story of 'The Tiger Who Went to Tea' with their classes. The children loved receiving their signed books from ER. Reilly. Today's book swap has been a huge success and an absolute delight to see the children enjoying choosing a good book! Thank you so much

to everyone who has donated books

this week. It is our enterprise day next Friday, where we will be selling products made by the children to raise money for our new library. More information to follow.

I hope you have a relaxing and enjoyable weekend, perhaps reading a book or two!

Kind regards

Mrs Cliff

COVID UPDATE

From Monday 21st February, the Government removed the guidance for staff and students in most education and childcare settings to undertake twice-weekly asymptomatic testing.

From Thursday 24th February, the Government removed the legal requirement to self-isolate following a positive test.

However, adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days, and then continue to follow the guidance until they have received 2 negative test results on consecutive days.

Nevill Road schools invite you to
