Parent Newsletter – 18.3.22

Dear Families,

Last week's Enterprise Day was a huge success and we have raised almost £500. The children absolutely loved designing, making and selling their own products and we will definitely do it again! One of our fantastic Year 6s has spent her own pocket money to buy prizes for our Red

Nose raffle. The winners will be announced later on today. Thank you so much for your generosity and support, every little bit makes such a difference.

Our Curriculum

On Monday, I felt rather nervous as we had a few extra creatures in school – one of them with 8 legs!! Year 3 absolutely loved their day meeting different animals and learning all about them – they were much braver than me!

Year 4 are enjoying their topic about Europe and have made 3D maps. Our sports teams have done us proud once again! Congratulations to the Year 6 Hockey team who won the final and our football team who won 9-0 in our first home match.

Earlier in the week we had a visit from Mr Bousefield our School Advisor and some of our governors. They came in to talk to the staff and children about Science, Music and PE lessons. All of the children spoke with great enthusiasm about their learning and had excellent ideas for how we could improve our curriculum further. Our visitors were very impressed with the provision we have in place to ensure that our pupils are experiencing a quality curriculum in all subject areas.

Reading at NRJ

Our new library is almost ready to open. The Cheshire Library Service are coming in next week to help us organise and lend us a selection of books that the children can read in school. We also have an amazing mural of the Cat in the Hat, that has been painted by Mr Addison. Please use the link below if you would like to make a donation towards new books and equipment for the library.

I hope you have a relaxing weekend and enjoy the sunshine – Spring is almost here. Kind regards, Mrs Cliff
