

Nevill Road Junior School

Parent Newsletter – 25.3.22

Dear Families,

Over the past two weeks we have been using the field at lunchtimes and for PE lessons, which the children have loved! It is so good to be able to get out in the sunshine and come together as a school community once again, after such a long time.

Thank you for your kind donations for Comic Relief. We have raised a fantastic £924! This year we didn't make a film but you may have heard that Mr Dunn and I put on a bit of a performance to make the children smile. Check it out on twitter @NRJuniors.

Our Curriculum

This week Year 6 have been making carrot scones and potato cakes using traditional recipes from WW2. I tried one of the scones and it was delicious! Year 5 have enjoyed investigating electrical conductors and circuits. Hannah from Christians in Schools came to visit Year 4 to deliver a workshop about the Easter story.

They had to use their detective skills to solve a 2000 year old mystery! The Year 3's loved learning the skills needed to play basketball in particular practising their set shots!

We have so far raised £100 towards our library fund. If you would like to make a donation towards new books and equipment, please use the following link:

Have a great weekend,

Kind regards, Mrs Cliff

Earlier in the week, we sent out information about Tik Tok and how to keep your child safe on line. Please be reminded that this app is for users of 13 and over. The guidance shows you how to stay safe on Tik Tok, the use of parental controls and how to report problems. We will be talking to the children about these issues as well.

Diary Dates

Monday 28th / Tuesday 29th March – Y2 Parent Open Mornings
