

Nevill Road Junior School

Parent Newsletter – 6.5.22

Dear Families,

We would like to wish a Happy Eid to all of our families celebrating Eid al fitr. We have enjoyed hearing about how the children have been celebrating this special time.

This week we welcomed Year 2 parents in to the school to share information about the Juniors. It has been the first time in several years that we have been able to do face to face meetings and provide a tour of the school, which included our cooking area and new library.

Mr Whitfield and I also met to discuss transition activities including the Y2 and Y3 disco!

Our Curriculum

Before Easter, we launched our Reading at Home project. The aim was to see how we could develop a partnership with families to support their children further, with their reading at home. When the parents involved were asked if they would recommend the project to others, they all said yes.

‘Because it helped my child and I could see his progress and help him with words he couldn't pronounce/know the meaning of. It was also nice to spend some time with him on a 1:1 basis.’

‘It helped us to set up a routine for reading that we didn't have before. And we enjoyed spending some time together away from siblings.’

We will be starting the project again after half term, for a new group of children and families. Reading volunteers – we would love to invite parents in to listen to children read in school. If you are interested in helping us, please contact the main office.

In Art, Year 3 have started to look at the artist Georgia O'Keefe. They know that her art work is inspired by flowers.

We love finding out about all of the experiences and achievements that our children gain out of school too.

Keep following us on twitter to see what happens on a day to day basis

I hope you enjoy your weekend.

Kind regards

Mrs Cliff
