

Nevill Road Junior School

Wider opening risk assessment summary

Here are the key protective measures from our Covid-19 risk assessment for the wider opening of school

Staying at home if you or someone in your household has symptoms

Testing available for staff, children and their households

Frequent and thorough hand washing

Good hygiene e.g. catch it, bin it, kill it!

Increased cleaning of frequently touched surfaces

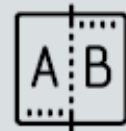

Learning resources that are easily cleaned

Bubbles of up to 15 children with consistent staff

Consistent areas for each bubble

No mixing of bubbles

Avoiding contact by spacing out and social distancing
