

Nevill Road Junior School Parent Newsletter 26.6.20

Dear Families,

I have really enjoyed this week's google meets, hearing all about what the children have been up to at home. They have clearly been enjoying the better weather - BBQs, paddling pools and ice lollies were mentioned a lot!

Our Nevill Road Community

In school this week, we have been making the most of the outdoors too. We now have fruit on the trees as well as beans and peas growing in the garden. Last week we also watched the Oak Academy assembly led by The Duchess of Cambridge, which was all about kindness.

The children at home have been busy too. Abbie has been working towards achieving her silver and gold awards with Brownies and Fia has been making messages of Hope, which she has hung on her tree at home. Please keep sending in your photos to headteacher@neville-road-jun.stockport.sch.uk or tweet us @NRJuniors. Parents and carers of Year 2 children are very welcome to send their photos in too. I would love to know what they are doing at home and to find out more about the children, ready for when they start school with us in September.

Home Learning

Thank you for the positive feedback that we have received through the home learning questionnaire. If you have not yet had a chance to respond, please use the following link:

<https://forms.gle/1sbzZNcPoHw6eGU9>

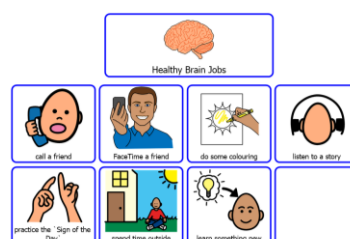

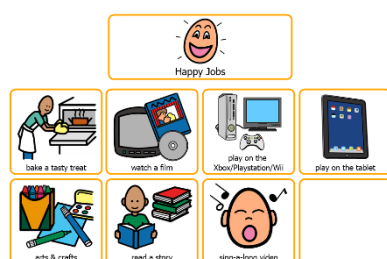

We have heard that personal feedback from the staff through google classroom has been appreciated as well as the variety of tasks on offer. Children have also benefited from the daily check ins with the teachers through the stream and the google meets have been a huge success. It is a common theme that many children (including my own!) are beginning to lack motivation as they have been away from school for so long now. We have produced some more home learning packs, which may add some variety and can be collected from school. You really are all doing an amazing job of home schooling during this difficult time and please contact us at school if you need any further support.

SEND and wellbeing information

If you would like more ideas about how to motivate your child with their learning or help them with their wellbeing, please see the SEND page on the website. There are a variety

of resources that can help including 'Catch me cards' and activities that help with feeling happy and healthy.

We are working as hard as we can to support our Nevill Road families and thank you for your ongoing support during this time.

Please keep in touch, stay positive and stay safe.

Kind regards

Mrs Cliff
