

# Nevill Road Junior School

## Parent Newsletter – 4.9.20

Dear Families,

Welcome back to a new term at the Junior School. It has been so lovely to have all of the children with us again and to hear the sound of happy voices around school. They have been delighted to see their friends and have adapted well to

the new systems. I am incredibly impressed with the way the Year 3s have started their time with us at the Junior school. We are very proud of them all.

Thank you for supporting us with the new drop off and collection procedures. Mrs Marshall and I will be reviewing these next week to see if we need to make any adjustments.

### The Recovery Curriculum

This week we have been focussing on supporting the children back in to school through a variety of activities including opportunities to share their lock down experiences with each other, time to play together and catch up with their friends. We have also been talking to the children about the new Covid 19 Bee Rules that we have in school in order to keep us all safe and to look after each other. We have timetabled extra time for the children to learn outside through physical activities and games.

Please follow us on twitter @NRJuniors to see daily updates on school life.

The teachers are enjoying spending time with their classes, getting to know them and find out about their interests. We know how important it is for the children to feel safe and listened to. As a restorative school we have also been supporting children and staff to rebuild relationships as many have not seen each other for the past five months.

### Reminders

- As the children will be spending more time outside, we would like them to wear trainers (preferably black). They will not be changing into PE kits at the moment but you will be informed if this changes.
- Please ensure that your child's dinner is ordered in advance.
- Please bring in any medication / inhalers that your child needs to the main office.
- If you wish your child to walk home (year 6 only) please complete the permission slip.
- Please collect your child at the allocated time unless you are collecting siblings earlier.
- If you have not yet sent in the Home School Agreement, please ensure it is brought in on Monday.

Thank you for your continuing support and understanding during these strange times.

Kind regards

Mrs Cliff
