

Nevill Road Junior School

Parent Newsletter – 15.7.22

Dear Families,

I am now able to share the national data for the KS2 SATs results. As you can see, the performance at Nevill Road Juniors, is above in all areas. A fantastic achievement!

Subject	National 2022	School 2022
Reading	74%	83%
Writing	69%	87%
Maths	71%	75%
SPAG	72%	85%
Combined (RWM)	59%	66%

We have also won the award for attending the most sporting competitions this year along with five more trophies for PE and Sport. Well done Nevill Road Juniors!

Our Curriculum

Year 6 have had the most wonderful time in Conway. They enjoyed raft building, jumping in to the sea, canoeing, abseiling, low ropes, archery and much much more. Most importantly they made special memories with their friends that will last forever. Thank you so much to the staff team who gave up their time to enable this experience to take place.

The Year 2s came to visit us this week. Their smiling faces made our day and we can't wait to see them all again in September. It was great to see so many families who were able to attend the transition evening on Wednesday.

Next week, Year 3, 4 and 5 will be visiting their new classrooms and spending time with their new teachers. Our SEND support handover meetings have also been planned in for the last week of term.

Year 3 have been deep in concentration this week, sewing book marks in their design technology lessons. Year 5 have enjoyed writing and performing sea shanties with a viking twist! Year 4 are very excited about making pizzas next week!

Change to times of the school day – from September

Please note that from September, our doors will open at 8.40am and close at 8.50am. Any child arriving after this time will be recorded as late. The day will continue to end at 3.20pm.

Extreme heat measures

I am sure you will be aware that we are expecting high temperatures next week and therefore we will be putting additional measures in place to ensure the safety of the children and staff. The following document has been circulated to schools from Public Health and all staff have been made aware of this advice.

<https://www.gov.uk/government/publications/heatwave-plan-for-england/looking-after-children-and-those-in-early-years-settings-during-heatwaves-for-teachers-and-professionals>

Please remember to:

Apply sunscreen to your child before they come into school – at least factor 15.

Provide your child with a water bottle and sunhat preferably with a wide brim.

Leave jumpers, coats and cardigans at home.

You may also wish to share the ‘slip, slop, slap’ video with your children.

<https://www.youtube.com/watch?v=FzA47J7QsVk>

In school we will:

Talk to the children in assembly about staying safe in the sun and show them the ‘slip, slop, slap’ video.

Minimise physical activity particularly PE lessons.

Reduce the amount of time spent outside at lunchtime and encourage children to sit in the shade.

Ensure classrooms are well ventilated

Remind children to drink plenty of water and wear their hats outside.

Monitor to see if any children are feeling unwell and administer first aid if required.

After school sports clubs will take place inside.

Staff will monitor conditions carefully during the day and ensure that all measures are in place. If you have any questions or concerns please contact us.

Have a lovely weekend and stay safe.

Kind regards

Mrs Cliff
