## Parent Newsletter – 9.10.20

Dear Families,

On 10<sup>th</sup> October it is World Mental Health Day and with everything that is going on around us at the moment, we need to look after ourselves more than ever. This week the staff wanted to put a smile on everyone's faces by wearing something silly on their heads. It

definitely raised everyone's spirits around school and the children enjoyed working out the theme. Today, we are all

wearing yellow as part of the Hello Yellow Mental Health campaign and staff have been talking to the children about positive mindsets and support if they are feeling worried or anxious.

### The Recovery Curriculum

Year 6 have been inspired by the book and film of 'Fantastic beasts and where to find them'. They have created their own creatures during writing lessons and produced

stunning art work. The children have also been learning how to play melodies using tuned percussion. We have been holding School Council elections this week, which has created much excitement. The successful candidates will be announced in assembly.

Look out for our Rockstars - Battle of the Classes Competition, which starts today.

## Our Home Learning Offer

Please contact us if you have any problems accessing online learning. This may include lack of technology, difficulty logging in or further support needed to upload assignments on to google classroom. We are here to help.

## Keeping our children and community safe

Please be reminded that we are currently in local lock down. The social contact restrictions are as follows:

If you live in one of the affected areas, in order to help prevent the spread of coronavirus you must not:

- host people you do not live with in your home or garden, unless they're in your support or childcare bubble
- meet people you do not live with in their home or garden, whether inside or outside the affected local areas, unless they're in your support or childcare bubble

Your household is defined as the people you live with and any support or childcare bubble.
