## Parent Newsletter – 6.11.20

Dear Families,

I hope you have had a good break during half term and are staying safe and feeling as positive as you can under the circumstances. Thank you for wearing face coverings when dropping off and collecting the

children. We are working hard to continue to keep our community as safe as we possibly can.

Please see the latest Covid19 guidance from the DFE about the ventilation of classrooms:

In cooler weather windows should be opened just enough to provide constant background ventilation and opened more fully during breaks to purge the air in the space. Opening internal doors can also assist with creating a throughput of air. If necessary external opening doors may also be used as long as they are not fire doors.

Whilst we must adhere to these guidelines in order to keep our children and staff safe from the risks of Covid, we do not want anyone to feel cold or uncomfortable whilst in school. Therefore, Mr Dunn is checking that the heating is on at all times and I regularly monitor the temperature of all classrooms. Should your child wish to, they are very welcome to wear extra clothing whilst in school.

### Harvest donations

Thank you so much for all of your generous donations to celebrate this year's Harvest Festival. More than ever, families in Stockport need extra support and once again our Nevill Road family have shown overwhelming kindness towards others. All of the donations have been gratefully received by Chelwood Foodbank.

## Our ASPIRE Curriculum

Before half term the children thoroughly enjoyed their art ASPIRE day and produced some stunning work using a variety of different materials to create their butterflies. The displays around school are going to look amazing!

### Parent Meetings

Please be reminded that phonecalls will last for 10 minutes and we will be calling the first contact number on our system. If you would prefer us to use a different number, inform the school office prior to your meeting. You may see a 'private or withheld' number come up instead of the school's. Please still answer the call.

### Reporting Covid related information

Please inform school of any Covid related information using the email address [covid@nevillroad-jun.stockport.sch.uk](mailto:covid@nevillroad-jun.stockport.sch.uk) so we can follow up any necessary contact tracing. This email address will be checked regularly.
